Danville Council Member Mike Shimansky hospitalized

Danville Council member Mike Shimansky is in a San Diego area hospital recovering from bacterial meningitis. Mr. Shimansky was visiting with family members when he became ill with flu-like symptoms early on the morning of August 17. He was hospitalized, and has been under treatment in the intensive care unit. While his condition has stabilized, his doctors are continuing to treat the meningitis and secondary conditions that have been brought about by the bacterial infection.

Mr. Shimansky is a three time Mayor of Danville and has served on the Town Council since 1989. He resides in Danville with his wife Sue and daughter Cyndi. Mike's son Greg and daughter Lori reside in the San Diego area with their respective families.

Well wishers may leave messages for Mike and his family via e-mail at shimansky@msn.com. Get well cards may be sent to Mike in care of the Town Offices, 510 La Gonda Way, Danville, CA 94526, and will be forwarded to the Shimansky family.
