Some people can really think.

"This Time, a Different Perspective on Art"

Canadian Speed Control!

**Speed control being used in Canada .
How's this for effective speed control?**

4-2

It is MUCH cheaper than speed cameras, radar guns, police officers, etc.

Pretty clever -- especially when they move them around every day.

Isn't Art Wonderful?

**I don't know about you, but this would certainly slow me down!
People slow down and actually try to "straddle" the hole.**

This is an actual speed control device that is currently in use.
